Through its Advertising-Solicitations and Business Ethics Committees, The Gary Chamber of Commerce strives unremittingly to shield its members against unwarranted solicitations and to promote high business and professional standards as a means of enhancing Gary's stature as northwestern Indiana's principal shopping center.

## **FOREWORD . . . . .**

**This WHO'S WHO of Gary's business community will become an annual publication of THE GARY CHAMBER OF COMMERCE.**

**It contains the names of industrial, business and service institutions and professional men who, having enrolled as dues-paying supporters of THE CHAMBER'S program for a greater Gary, merit the preferential consideration of the discriminating consumer.**

**Corrected up to November 2, 1956 the Directory lists the names, addresses and telephone numbers of GARY CHAMBER OF COMMERCE supporters who were members in good standing as of that date.**

**Possible errors or omissions, and particularly changes of address or telephone numbers, should be reported immediately so that corrections can be made in the next edition.**

---

**The Directory is divided into two parts:**

- (a) ALPHABETICAL directory of individual members . . . . . Page 4**
- (b) CLASSIFIED directory of all membership accounts . . . . . Page 15**
